SECTION 2. Tennessee Code Annotated, Section 49-5-413(d), is amended by designating the language of subsection (d)(1) as (d)(1)(A) and by adding the following new (d)(1)(B):

(B) Any person, corporation or other entity who, on or after September 1, 2007, but prior to the effective date of this act, entered into or renewed an applicable contract or contracts with a school, local board of education or child care program as defined in Section 49-1-1102, and such contract remains in effect on the effective date of this act, shall be governed by the provisions of this subsection (d) as it existed prior to the effective date of this act. However, all parties to any such contract may agree to come within the provisions of this act, even if such contracts were entered into or renewed prior to the effective date of this act.

SECTION 3. Tennessee Code Annotated, Section 49-5-413(d)(1)(B), is amended by adding between the words “employee” and “access” the words “to have”.

SECTION 4. Tennessee Code Annotated, 49-5-413, is amended by deleting subsection (d)(2) in its entirety and substituting instead the following:

(2)

(A) It is the duty of the person, corporation or other entity that employs a person described in subdivision (d)(1) to require the applicant to supply a fingerprint sample and submit to a criminal history records check to be conducted by the Tennessee bureau of investigation and the federal bureau of investigation prior to permitting the person to have contact with the children or enter school grounds.

(B) If the person, corporation or other entity is an out-of-state employer, the requirements of subdivision (A) are satisfied if the employer presents proof that a criminal history records check that is comparable to that required by subdivision (A) has been conducted on the employee described in subdivision (d)(1). To qualify as a “comparable” criminal history records check, it must include a fingerprint-based criminal history records check that is conducted by the federal bureau of investigation.

(C) Notwithstanding the provisions of subdivision (A), a person, corporation or entity who, for one employee, satisfies the requirements of this subsection for one school, one local board of education, or one child care program, shall be deemed to have satisfied the requirements for any other school, board of education, or child care program as long as the employee remains in the continuous employment of the same person, corporation, or entity.

(D) Notwithstanding the provisions of subdivision (A), a person, corporation or other entity who, for one contract, satisfies the requirements of this subsection (d), shall be deemed to have satisfied the requirements of this subsection for any subsequent contract as long as the employee servicing or working on that contract remains in the continuous employment of the same person, corporation, or entity.

SECTION 5. Tennessee Code Annotated, 49-5-413(d), is amended by adding the following new subdivisions:

(5) The provisions of subsection (d) shall not apply to:

(D) A person whose contract is for the performance of a service at a school-sponsored activity, assembly or event at which school officials or employees are present when the service is performed and where the activity, assembly, or event is conducted under the supervision of school officials or employees.

(6) Nothing in this subsection (d) shall be construed to prevent any person, corporation, or other entity who is not the contracting party from receiving, upon payment of the appropriate fee, information indicating whether the employee meets or does not meet the criteria set out in this subsection.

SECTION 6. This act shall take effect upon becoming a law, the public welfare requiring it and shall apply to contracts or the renewal of contracts as provided in Sections 1 and 2.
